WERIT RECOLINE

The IBC modular system enables a problem-free cleaning as well as an efficient and environmental reconditioning by simply exchanging the plastic, metal and wooden elements. These are best possible conditions for an economic multi-way use.

The PACKONE ticket guarantees the free of charge return of used IBCs. Just use your ticket. We will look after everything else.

You use the ticket for WERIT Recollecting as well as for the PACKONE Recollecting.

PACKONE RECOLINE

Collecting IBCs of different brands is possible as well, by using the PACKONE SERVICE, a WERIT and pack2pack joint venture

With the universal bottle, designed by WERIT, we are able to produce a new PACKONE IBC of any european IBC brand.
